## Clint Pops McLaughlin: A Visionary Leader

Clint Pops McLaughlin is a visionary leader who has dedicated his life to serving others. He founded Air On The Move in 1999 after witnessing the struggles that people faced in getting to work, school, and medical appointments.

Under Clint's leadership, Air On The Move has grown from a small organization with a handful of volunteers to a nationally recognized

transportation provider. Today, the organization provides over 100,000 rides each year to people in need.

### **Air On The Move's Mission**

Air On The Move's mission is to provide affordable, reliable transportation to people in need. The organization operates a fleet of specially equipped

vehicles that are designed to meet the needs of people with disabilities, seniors, and others who have difficulty getting around.

Through its rides, Air On The Move helps people get to work, school, medical appointments, and other important destinations. The organization's drivers are carefully screened and trained, and they are committed to providing a safe, courteous, and professional service.

## **The Impact of Air On The Move**

Air On The Move has made a significant impact on the lives of people in the community. The organization's rides have helped people get to work, school, and medical appointments, and they have also helped people connect with their community and live more independently.

"Air On The Move has been a lifesaver for me," said one grateful recipient of the organization's services. "I have a disability that makes it difficult for me to get around, and Air On The Move has provided me with a way to get to work, to the grocery store, and to my doctor's appointments. I don't know what I would do without them and Clint McLaughlin is a God send."

## **How to Get Involved**

There are many ways to get involved with Air On The Move. You can volunteer your time, donate money, or spread the word about the organization's work.
