About the Conference

The 9th International Conference of the Foundation for International Medical Health (FIMH) will take place in Toronto, Canada from June 11-13, 2024. The conference will bring together experts from around the world to discuss the latest advances in healthcare and how to improve access to quality healthcare for all.

The theme of the conference is "Bridging Healthcare Disparities." This theme reflects the FIMH's commitment to addressing the root causes of healthcare disparities and to finding innovative solutions to improve the health of all people.

Conference Tracks

The conference will feature a variety of tracks, including:

- Access to Healthcare
- Quality of Healthcare
- Global Health
- Health Equity
- Health Policy
- Health Workforce

Keynote Speakers

The conference will feature a number of keynote speakers, including:

- Dr. Margaret Chan, former Director-General of the World Health Organization
- Dr. Paul Farmer, co-founder of Partners In Health
- Dr. Victor Dzau, president of the National Academy of Medicine
- Dr. Jane Ruth Aceng, Minister of Health of Uganda

Registration

Registration for the conference is now open. Early bird rates are available until March 1, 2024. To register, please visit the conference website.

Sponsorship Opportunities

Sponsorship opportunities are available for the conference. For more information, please contact the conference secretariat.

Contact Information

For more information about the conference, please contact the conference secretariat at info@fimh2024.org.
