## Research

Chemistry Compass: Eu Ratgeber Wirtschaft covers all aspects of chemistry, from 基础研究 to applied research. The website publishes original research articles, reviews, and perspectives from top chemists around the

world. The articles are peer-reviewed and cover a wide range of topics, including:

\* Inorganic chemistry \* Organic chemistry \* Physical chemistry \* Analytical chemistry \* Biochemistry \* Materials science \* Chemical engineering

## Funding

Chemistry Compass: Eu Ratgeber Wirtschaft also provides information on funding opportunities for chemists. The website lists grants, fellowships, and other funding sources from a variety of organizations, including the European Union, national governments, and private foundations.

## Career Development

Chemistry Compass: Eu Ratgeber Wirtschaft is a valuable resource for chemists at all stages of their career. The website provides information on job openings, career development opportunities, and professional development resources. The website also hosts a forum where chemists can connect with each other and share ideas.
