The book is written by two anonymous authors who call themselves "The Dixie Chicks." They claim to be "two Southern women who have had enough of the establishment's BS." They wrote *Dixie Rising* to provide a "survival guide" for other Southerners who are tired of being told what to do.

The book is divided into two parts. The first part, "Rules for Rebels," provides advice on how to be a proper Southern rebel. The second part, "Dixie Rising," provides advice on how to start a rebellion against the establishment.
