Halloween is just around the corner, and it's time to start thinking about how you're going to decorate your home. If you're looking for a way to add a touch of spooky elegance to your front door, then look no further than our 'Haunting We Will Go' door wreath.

This wreath is easy to make and only requires a few simple materials. It's the perfect way to get into the Halloween spirit and add a touch of spookiness to your home.

### **Materials:**

- 18-inch grapevine wreath
- Black and white striped ribbon
- Black tulle
- Orange and black flowers
- Black and white feathers
- Hot glue gun

### **Instructions:**

1. Start by wrapping the black and white striped ribbon around the grapevine wreath. Secure the ribbon with a hot glue gun.
2. Next, gather the black tulle and tie it around the wreath. Fluff the tulle to create a spooky and ethereal effect.
3. Now, add the orange and black flowers to the wreath. Hot glue the flowers in place.
4. Finally, add the black and white feathers to the wreath. Hot glue the feathers in place.
5. Once you're finished, hang the wreath on your front door and enjoy!

### **Tips:**

- You can use any type of ribbon, tulle, or flowers that you like. Get creative and make the wreath your own.
- If you don't have a hot glue gun, you can use a regular glue gun. Just be sure to let the glue dry completely before hanging the wreath.
- You can add other Halloween-themed embellishments to the wreath, such as bats, spiders, or pumpkins.

We hope you enjoy making our 'Haunting We Will Go' door wreath. It's a fun and easy way to add a touch of spooky elegance to your Halloween décor.

Happy Halloween!
