Print length : 96 pages

Whether your child is struggling to keep up in class or is looking to achieve their best in their exams, the CGP Scottish Curriculum for CfE range can help. The books are written in a clear and concise style, with plenty of examples and diagrams to help your child understand the key concepts. They also include plenty of practice questions, so your child can test their understanding and identify any areas where they need extra help.

The CGP Scottish Curriculum for CfE range is also ideal for catch-up. If your child has missed some lessons or is struggling to keep up in class, the CGP books can help them to catch up quickly and easily. The books are self-contained, so your child can work through them at their own pace, and they include plenty of practice questions to help them consolidate their understanding.

The CGP Scottish Curriculum for CfE range is the perfect way to help your child succeed in their studies and exams. The books are written by experts in each subject area, they're packed with clear explanations, practice questions, and exam-style questions, and they're ideal for both catch-up and exam preparation.
