Whether you're a seasoned quilter or just starting out, you're sure to find something to love in Patchwork City. The blocks are all unique and stylish, and they can be used to create a variety of different quilts. From traditional to modern, there's a block for every taste.

What's inside Patchwork City?

Patchwork City includes 75 quilt blocks, each with its own unique design. The blocks are divided into five chapters, based on difficulty:

- **Beginner:** These blocks are perfect for quilters who are just starting out. They're simple to make, and they look great in a variety of quilts.
- **Intermediate:** These blocks are a bit more challenging than the beginner blocks, but they're still suitable for quilters with some experience. They're a great way to learn new techniques and expand your quilting skills.
- **Advanced:** These blocks are the most challenging in the book, but they're also the most rewarding. They're perfect for quilters who are looking for a challenge and want to create truly unique quilts.
- **Pieced Appliqué:** These blocks use a combination of piecing and appliqué to create beautiful and intricate designs. They're perfect for quilters who love to add a touch of elegance to their quilts.
- **Foundation Paper Piecing:** These blocks are made using a technique called foundation paper piecing. This technique allows you to create complex designs with precision and ease.
